STATEMENT OF OBJECTS AND REASONS

The Inchek Tyres Limited commenced production of automobile tyres and tubes in Kakinara (West Bengal) in 1963. The undertaking started showing unfavourable operational results after 1970 and by June 1977 the company had an accumulated loss of Rs. 8.9 crores as against the paid up capital of Rs. 3 crores. The management of the undertaking was taken over under the Industries (Development and Regulation) Act, 1951, on the 13th April, 1978. The undertaking employs about 1,380 persons.

2. The National Rubber Manufacturers Limited, Calcutta, have two units. The unit at Tangra (Calcutta) produces cycle tyres, tubes and rubber goods like fan and V belts, transmission and conveyor belts, hoses, etc., and the other unit at Kalyani produces reclaimed rubber. In early 1970s, the production at both the units was affected due to labour trouble, erratic power supply, shortage of certain raw materials and poor quality of the finished products. By March 1977, the company had an accumulated loss of Rs. 4.25 crores as against the paid up capital of Rs. 1.30 crores. The management of the Tangra unit was taken over by the Government under the Industries (Development and Regulation) Act, 1951, on the 23rd December, 1977, and that of the Kalyani unit on the 10th February, 1978. The company employs about 3,120 persons.

3. A common Board of Management was appointed as the "authorised person" under the Industries (Development and Regulation) Act, 1951, for both the undertakings. However, operational results of the undertakings continued to be unfavourable even after the take-over of management for various reasons. Rehabilitation of the undertakings required large investments for repair, replacement, modernisation and change in product mix. It was not possible for government to arrange for such investments without nationalisation of the undertakings. The undertakings could not also generate adequate resources even for current operations for payment of wages. The accumulated losses soared to Rs. 25.81 crores in the Inchek Tyres and to Rs. 18.74 crores in National Rubber Manufacturers by 31st March, 1982. The revival of these undertakings, restructuring the capital base and the payment of past liabilities of these companies were, therefore, considered to be an immediate necessity. Among the various alternatives, nationalisation of the undertakings of the companies was considered to be the only acceptable alternative to achieve this process quickly, followed by a major renovation and modernisation programme involving substantial capital expenditure. Banks and financial institutions which had been nursing the undertakings found it no longer possible to finance its losses. The operations in the undertakings had come to a standstill. In view of these circumstances, it was considered necessary in the public interest to immediately acquire the undertakings of the Inchek Tyres Limited and the National Rubber Manufacturers Limited so that the undertakings could restart operations and the revival and modernisation programmes

may be implemented early to avoid further losses and deterioration in the assets of the undertakings. The nationalisation of the undertakings would also save about 4,500 workers from unemployment. The Incheck Tyres Limited and National Rubber Manufacturers Limited (Nationalisation) Ordinance, 1984 (4 of 1984), was accordingly promulgated by the President on the 14th February, 1984. The said Ordinance, apart from providing for the acquisition of the undertakings of the two companies and vesting the same in an existing or a new Government company, provided for payment of amounts to the companies for the acquisition, appointment of a Commissioner of Payments for the purpose of disbursing the amounts to the companies and other incidental and consequential matters.

4. The Bill seeks to replace the aforesaid Ordinance.

NEW DELHI;

NARAYAN DATT TIWARI.

The 27th February, 1984.

PRESIDENT'S RECOMMENDATION UNDER ARTICLE 117 OF THE
CONSTITUTION OF INDIA

[Copy of letter No. 9/2/84-LR dated 28th February, 1984 from Shri Narayan Datt Tiwari, Minister of Industry to the Secretary-General, Lok Sabha.]

The President, having been informed of the subject matter of the Incheck Tyres Limited and National Rubber Manufacturers Limited (Nationalisation) Bill, 1984, recommends under clauses (1) and (3) of article 117 of the Constitution the introduction of the said Bill in and its consideration by Lok Sabha.

FINANCIAL MEMORANDUM

Clause 3 of the Bill provides that, on the appointed day, the undertakings of each of the two companies, and the right, title and interest of each of the two companies in relation to its undertakings, shall stand transferred to, and shall vest in, the Central Government.

2. Under sub-clause (2) of clause 5 of the Bill, any liability arising in respect of materials supplied to either of the two companies after the management of the undertakings of the concerned companies had been taken over by the Central Government, shall, on and from the appointed day, be the liability of the Central Government or of the existing, or new, Government company in which the undertakings are vested under the provisions of the Bill. It is estimated that this amount is likely to be of the order of Rs. 47 lakhs.

3. Clause 8 of the Bill provides for payment in cash and in the manner specified in Chapter VI thereof, an amount equal to the amount specified against the name of each company in the First Schedule, for the transfer to, and vesting in, the Central Government of the undertakings of each of the two companies, and the right, title and interest of each of the two companies in relation to its undertakings. The total amount is of the order of Rs 490.04 lakhs.

4. Sub-clause (1) of clause 9 of the Bill provides for payment of a further amount in cash to each of the companies, for the deprivation of the companies of the management of their undertakings during the period commencing on the date on which the undertakings of each company was taken over by the Central Government under the provisions of the Industries (Development and Regulation) Act, 1951 and ending on the appointed day, an amount of Rs. 50,000.

5. Sub-clause (2) of clause 9 of the Bill provides for payment of simple interest at the rate of four per cent. per annum on the amount specified under clause 8 and sub-clause (1) of clause 9 for the period commencing on the appointed day and ending on the date on which payment of such amounts is made by the Central Government to the Commissioner of Payments. It is estimated that this amount will be of the order of Rs. 1,63,680 per month.

6. Clause 15 of the Bill provides that the Central Government shall appoint a Commissioner of Payments and may also appoint such other persons as it may think fit to assist the Commissioner and thereupon the Commissioner may authorise one or more of such persons also to exercise all or any of the powers exercisable by him. The salaries and allowances of the Commissioner and the other persons appointed under the said clause shall be defrayed out of the Consolidated Fund of India. The estimated expenditure on this account is likely to be of the order of Rs. 25,000 per month.

7. Funds will also have to be provided to the existing, or new, Government company in which the undertakings of the Incheck Tyres

Limited and National Rubber Manufacturers Limited are vested, towards repairs and replacements during Phase I period, and renovation and modernisation during Phase II period. The estimated cost of implementing Phase I would be around Rs. 9,26,00,000 (rupees nine crores and twenty-six lakhs only).

8. It is anticipated that all the liabilities specified in the Second Schedule to the Bill are not likely to be discharged fully by the Commissioner of Payments out of the amounts paid to him under the provisions of the Bill. The Central Government proposes to assume some of the undischarged liabilities, such as, repayment of loans given by banks and financial institutions after the management of the undertakings had been taken over by the Central Government, and principal amounts of loans and advances given by such banks and financial institutions at the behest of Government (i.e. all the loans released by IRCI, State Bank of India and State Government of West Bengal after 1-7-1976) before such management was taken over and simple interest thereon. The extent of liability on this account will be known only subsequently after the Commissioner of Payments has made available his reports.

9. The Bill, if enacted, is not likely to involve any other recurring or non-recurring expenditure.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 31 of the Bill empowers the Central Government to make rules to carry out the provisions of the Bill. The matters in respect of which rules may be made, *inter alia*, relate to the time within which, and the manner in which, intimation regarding any mortgage, charge, lien or other interest in, or in relation to, the properties which have vested in the Central Government under clause 3 of the Bill shall be given to the Commissioner of Payments and the manner in which the moneys in any provident fund, superannuation, welfare or other fund maintained by either of the two companies shall be dealt with by the Central Government or the existing, or the new, Government company.

2. The matters in respect of which rules may be made are matters of procedure and administrative detail. The delegation of legislative power is thus of a normal character.

SUBHASH C. KASHYAP,
Secretary-General.
